

Your new TargetPlan service is here

Managing your retirement savings online will be even easier

Hello

Combined Nuclear Pension Plan:

- **Defined Contribution Structure;**
- **Defined Benefit Structure Shift Pay Pension Plan; or**
- **Defined Benefit Structure paying AVCs.**

Further to our recent email, we're delighted to bring you a fresh new way to manage your retirement savings with the new and improved TargetPlan online service.

Your new TargetPlan service is available for you to access now. To view and manage your pension savings account, here's what you need to do:

STEP ONE - GET GOING

If you're an existing TargetPlan user, simply sign in to the new TargetPlan service using your current login details. Don't worry if you can't remember your login, you can reset it by following the links.

If you've never used TargetPlan before, then select the activate button you'll find on the sign in dashboard to set up and access your account. You'll need your account number which you can find on any communication you've received from Aegon

[Get started now](#)

STEP TWO - MANAGE YOUR ACCOUNT ONLINE

The name TargetPlan and the things you can do remain the same (plus some extras). However the web address has changed to aegon.co.uk/targetplan - remember to save it to your favourites.

Then, why not take a few moments to familiarise yourself with the new layout and what you can do to make sure you get the most out of your workplace pension.

Now you're started, you can look forward to the following new benefits:

Use on any
device,
anywhere

Advanced six
digit PIN
security

Improved way
of making
changes to
your account

No need to
re-register
if you
already use
TargetPlan

If you have more than one pension account with us we'll send you an email when each account is live in the new TargetPlan service.

To help you get the most out of the new TargetPlan service and see how easy it is to use, take a few minutes and watch our demo video - it could be the first step on your path to the retirement you want.
